

The background of the image is a deep space scene. It features a vibrant nebula in shades of purple, blue, and magenta, with wispy, ethereal clouds of gas and dust. Scattered throughout the dark blue void are numerous stars of varying brightness. Several long, thin, light blue lines streak across the frame, representing star trails or perhaps cometary paths. The overall atmosphere is one of vastness and cosmic wonder.

Episternico

ASTRALIS

ABOUT

EPISTEMICO IS THE ANNUAL TECHNO-CULTURAL FEST OF GWECA. IT IS A LEGACY OF OUR COLLEGE THAT STARTED SINCE THE VERY BEGINNING OF THIS INSTITUTION. THIS IS THE 11TH EDITION OF EPISTEMICO. EPISTEMICO, THE NAME ITSELF MEANS CELEBRATING FEMINISM IS THE BIGGEST EXTRAVAGANZA HELD UNDER THE SUPERVISION OF CREATIVE ARTS SOCIETY . EVENTS ARE CONDUCTED UNDER THE 4 MAJOR COMMITTEES THAT ARE TECHNICAL, CULTURAL, INNOVATION AND LITERARY, WITH PARTICIPANTS FROM VARIOUS COLLEGES OF RAJASTHAN AND NEARBY STATES

THEME

STEP INTO ASTRALIS – A REALM WHERE STARDUST MEETS AMBITION, AND EVERY MOMENT FEELS LIKE A FLEETING COMET. AS THE UNIVERSE WHISPERS SECRETS OF WONDER, EPISTEMICO: ASTRALIS INVITES YOU TO LOSE YOURSELF IN COSMIC CHAOS AND CELESTIAL CHARM. HERE, THE ORDINARY FADES INTO THE VOID, AND WHAT REMAINS IS AN UNFORGETTABLE JOURNEY THROUGH SHIMMERING GALAXIES OF CREATIVITY, LAUGHTER, AND MEMORIES WRITTEN IN THE STARS. GET READY TO GLOW BRIGHTER THAN A SUPERNOVA – BECAUSE THIS FEST ISN'T JUST AN EVENT, IT'S AN ENTIRE CONSTELLATION OF MAGIC WAITING TO UNFOLD.

MESSAGE FROM PRINCIPAL

DEAR MAHILA ENGINEERING COLLEGE, AJMER COMMUNITY,

I AM DELIGHTED TO EXTEND MY WARM WISHES TO EACH ONE OF YOU. THE MUCH-AWAITED EPISTEMICO IS FINALLY HERE! THIS ANNUAL TECHNO-CULTURAL EXTRAVAGANZA IS A CELEBRATION OF CREATIVITY, INTELLECT, AND INNOVATION—BRINGING TOGETHER THE BRIGHTEST MINDS OF OUR COLLEGE.

THIS YEAR, WE EMBRACE THE THEME "ASTRALIS – REVEALED BY STARS," SYMBOLIZING BOUNDLESS CURIOSITY, LIMITLESS POSSIBILITIES, AND THE PURSUIT OF BRILLIANCE. JUST AS THE STARS GUIDE US THROUGH THE VAST COSMOS, LET KNOWLEDGE AND INNOVATION ILLUMINATE OUR PATHS.

MY HEARTFELT CONGRATULATIONS TO THE ORGANIZING COMMITTEE, FACULTY MENTORS, NON-TEACHING STAFF MEMBERS AND DEDICATED VOLUNTEERS FOR BRINGING THIS VISION TO LIFE. YOUR RELENTLESS EFFORTS AND PASSION ARE THE DRIVING FORCE BEHIND THIS SPECTACULAR EVENT.

AS WE COME TOGETHER TO WITNESS THE CULMINATION OF MONTHS OF HARD WORK, LET US REMEMBER THAT EPISTEMICO IS NOT JUST ABOUT COMPETITIONS—IT IS ABOUT THE CONNECTIONS WE BUILD, THE EXPERIENCES WE CHERISH, AND THE INSPIRATION WE IGNITE. MAY THIS EVENT MARK THE BEGINNING OF NEW CREATIVE JOURNEYS AND TRANSFORMATIVE IDEAS.

WISHING YOU ALL A STELLAR AND UNFORGETTABLE EPISTEMICO!

WARM WISHES,

PROF. PRAKRITI TRIVEDI

The background of the entire image is a deep space scene. It features a prominent nebula in the upper center, with swirling clouds of gas in shades of purple, magenta, and blue. Scattered throughout the dark void are numerous stars of varying brightness. Several long, thin, light-blue lines streak across the frame, likely representing the trails of comets or fast-moving celestial bodies. The overall color palette is dominated by dark blues, purples, and magentas, creating a sense of vastness and mystery.
